

NBC ADVERTISING CLEARANCE PROCEDURES

GENERAL: The following procedures apply to the clearance of advertisements airing on the NBC broadcast network (“NBC”). Clearance procedures for advertisements airing on NBCUniversal’s Cable Networks are available [HERE](#).

SUBMISSION OF MATERIALS: There are three ways to submit clearance materials for review:

1. Upload materials to www.nbcuadstandards.com; or
2. Submit materials via MediaVu; or
3. Submit materials via MediaQurator.

All clearance materials must be submitted using one of the above methods in order to be reviewed.

Clearance materials should not be sent to Sales, Sales Operations or the Media Operations Center (MOC) in Englewood Cliffs.

PRE-PRODUCTION REVIEW: Prior to production, advertisers should submit a script or storyboard of the proposed advertisement to NBC. NBC will request substantiation for all claims and authentication of all demonstrations and testimonial statements, as applicable. **NOTE:** The advertiser and its representatives are responsible for ensuring that the submitted materials are in compliance with all applicable governmental laws and regulations, including the rules of the Federal Communications Commission (FCC), the Federal Trade Commission (FTC) and the Federal Drug Administration (FDA), as well as NBC’s internal guidelines, standards and policies. After reviewing the submitted materials, NBC may approve the script or storyboard, request additional information, require modifications to the advertisement, or deem the advertisement not acceptable for air.

ROUGH CUT REVIEW: Advertisers may submit rough cuts for review before final production.

SUPPORTING DOCUMENTS: When possible, supporting documentation including—but not limited to—product testing, claim support, and affidavits should be submitted along with the script, storyboard, rough cut or final advertisement. (For submissions via www.nbcuadstandards.com, attach as “related documents”.) If you are responding to an editor’s request, any materials you send must be submitted through the “reply” link at the bottom of the applicable clearance report or attached to a message sent to the editor via www.nbcuadstandards.com, MediaVu, or MediaQurator.

FINAL APPROVAL: All final advertisements must be slated with a unique ISCI code, a title, and the length of the advertisement, and submitted via one of the above submission methods. NBC cannot give final approval to un-slated advertisements.

TIME FOR REVIEW: Advertisers should allow **3 business days** for review of clearance materials.
